**Viet Nam Veterans of Diablo Valley  
VNVDV HAVE ARRANGED A VIRTUAL MEETING  
FOR THURSDAY OCTOBER 1ST - 6 PM  
DETAILS WITH LINK WILL BE SENT BY E-MAIL**

Gary Estrella  
VNVDV  
President

## PRESIDENT'S MESSAGE

October begins the last quarter of the 2020 year. Who would have thought what was in store for us in 2020 ten months ago? Still no in-person meeting at the Crow Canyon Country Club and no realistic expectation how soon we can resume. The optimist in me says probably year end or January 2021. A word of caution to those that take my prognostication seriously, my batting average equates to 1 month divided by 13 months - .076.

The business of the VNVDV continues regardless of the situation in which we find ourselves. **First up is our election of officers for 2021. Nominations are open for the Viet Nam Veterans of Diablo Valley 2021 Officers & Board of Directors and information is included in the newsletter.**

President's Message (Continued on Page Two)

**VIRTUAL MEETING SEPTEMBER 3RD HOSTED BY JERRY YAHIRO**

**October Dinner Meeting  
CANCELLED**

**Virtual October Speaker**

**Tom Graves**, an historian of the Joe Rosenthal Chapter of the USMC Combat Correspondents Association, where he leads the effort to name a Navy warship for Iwo Jima flag raising photographer Joe Rosenthal.

According to By-Laws only members in good standing are eligible.

The Board you elect preserves our presence in the community and your support and participation in the VNVDV are essential to our success.

Next, is our annual gift giving to those whom we recognize for their service to the community and our veterans. The Board is proceeding with this in keeping with our past practices.

As always, if you know of a member who is in distress or needs our help or attention, please let the Board know. As I said in last month's Incoming "Reach Out and Touch (Somebody's Hand)." A phone call or a helping hand on how to join our virtual meetings will keep up strong during these times.

Stay safe and be well.

# Nominations Open for Viet Nam Veterans of Diablo Valley 2021 Officers & Board of Directors Election at November 5th Meeting

**Nominations are OPEN for 2021 Officers & Directors - as announced at the September Membership Dinner Meeting & mentioned in the INCOMING News. President Gary Estrella appointed Past President Rich Lambert as Chair of the Recruitment & Nomination Committee for 2020. He also appointed Past President Mike Weber to serve as official member of the 2020 committee for the Election of Officers & Directors for the VNVDV. Past President Rich Lambert expressed he is *looking for a few good men...* to serve on the Board in 2021. The President needs a solid team behind him... so all members are encouraged to find out more about these positions from any of these Past Presidents... Jerry Yahiro - Mike Weber or Rich Lambert.** The Official Ballots will be distributed at the November 5th dinner meeting with the names of those nominated to-date. You can nominate yourself - or members can nominate other current members in good standing. Any election questions about the "responsibilities" of each office should be directed to any of these three members of the election committee. **Elections/Voting (turning in your written ballot)** will be held at the General Membership Meeting on **Thursday - November 5, 2020**. Ballots may also be returned **by mail** to the VNVDV official mailing address. All "mailed ballots" must be "completed in full" and received no later than **November 22, 2020** to be counted in the final results. Election results will be announced by the President & Election Committee at the **December meeting** & announced in the *Incoming* electronic newsletter.

The 2021 Election is for the VNVDV Officers & Board of Directors positions listed:

President

Vice-President

Treasurer

Secretary

Director of Public Relations

Director of Membership

Director of Events

Director At Large

Director of Information

Director of Procurement

Director of Speakers

The Election Committee has received nominations for each position and encourages members to find out about each leadership role and become involved in our Board of Directors meetings. All positions are OPEN and we encourage members to run for whatever position they desire by notifying the Nomination Selection Committee by e-mail (please copy Election Committee members). The duties & responsibilities of all "Officers & Directors" positions listed above are outlined in our organizational by-laws. We encourage new members - as well and those now with time available - to attend our October Board of Directors meetings this month on the 3rd Thursday of each month at the Danville Veteran's Memorial Building at 1800. This is a good way to find out what each position is responsible for and gives you a better understanding and background of the organization. All members are welcome to attend any Board meeting. If you have questions about the positions - speak one of the members of the nomination/election committee. Co-Chairs and Assistants are "appointed" by the President - and are needed in most areas. This is a great way to learn about the duties - help in a significant way - and keep our organization strong & active in helping fellow veterans - those serving and our community. **Past President Jerry Yahiro noted... "The quality of an organization depends on its current leaders' and the members' willingness to participate in the administration of the organization."** We encourage all members to "strongly consider" becoming more active & involved in "the program of your choice" in our organization.

**President Gary Estrella** previously indicated there are many enjoyable positions to serve - making a difference in the direction of this amazing organization and he strongly encourages all members to consider joining the 2021 team which he promises will be another fun & exciting year. Our events & activities are so varied... there is truly something for everybody! You can make a difference. Join the team.

## Email Updates

Good afternoon, Northern California Veterans. Below are several steps we've taken to ensure your access to VA health care is as smooth as possible during the COVID-19 pandemic.

### VEText

Beginning this Friday, June 26, VA NorCal will implement a new check-in procedure using VEText. This new feature allows Veterans with scheduled appointments to notify their care team when they arrive at the facility for further instruction (to use this feature, Veterans must have a text-capable cell phone number on file with us; contact your care team if you're unsure).

The process is simple!

Once you arrive on campus, text "HERE" to **53079** to alert your care team you're at the facility and waiting to be called to your appointment.

You will receive a text acknowledging your check-in status.

When your care team is ready for you, you will receive a text instructing you to proceed to your appointment.

The Sacramento VA Medical Center in Mather now offers drive-up, elective COVID-19 testing to Veterans registered as VA patients from 9 a.m. - noon each Tuesday and Thursday. Other VA NorCal sites also offer COVID-19 tests to Veterans inside their clinics, with plans to establish drive-up testing in the near future.

**CONTACT [JONATHANROBBINS@HOTMAIL.COM](mailto:JONATHANROBBINS@HOTMAIL.COM)  
TO RECEIVE ACTUAL E-MAIL FOR THE TESTING**

### Fast-Track Screening

To speed up the COVID-19 screening process for VA NorCal Veteran patients and staff, we have created a QR code to help you fast-track your way through our screening stations. Just scan the QR code with a smartphone before leaving home, answer several questions about possible COVID-19 symptoms, and show your phone's green screen to our screeners when you arrive. No more waiting as you answer same questions at each and every appointment - show the green screen, get your wristband, and move on with your VA day!

### Appointment Arrival and Departure

To discourage foot traffic and reduce risk of COVID-19 exposure at our sites, VA NorCal is asking all patients to arrive no earlier than 30 min. prior to your appointment and to leave as soon as possible after your appointment is complete. We appreciate your cooperation.

## National Vietnam War Veterans Day

On March 28, 2017, President Donald J. Trump, signed into law [The Vietnam War Veterans Recognition Act of 2017](#), designating every **March 29** as *National Vietnam War Veterans Day*

National Vietnam War Veterans Day joins six other military-centric national observances codified in [Title 4 of the United States Code §6](#) (i.e., Armed Forces Day, Memorial Day, Independence Day, National Korean War Veterans Armistice Day, Navy Day, Veterans Day).

March 29 is a fitting choice for a day honoring Vietnam veterans. It was chosen to be observed in perpetuity as March 29, 1973 was the day United States Military Assistance Command, Vietnam was disestablished and also the day the last U.S. combat troops departed Vietnam. In addition, that same day Hanoi released the last of its acknowledged prisoners of war.

[The United States of America Vietnam War Commemoration](#) honors all U.S. veterans who served on active duty in the U.S. Armed Forces at any time from [November 1, 1955 to May 15, 1975](#), [regardless of location](#).

**November 1, 1955** was selected to coincide with the official designation of Military Assistance Advisory Group-Vietnam (MAAG-V); **May 15, 1975** marks the end of the battle precipitated by the seizure of the SS Mayaguez.

The Department of Veterans Affairs estimates that today there are more than **6 million U.S. Vietnam veterans living in America and abroad**, along with **9 million families of those who served** during this time frame. We make no distinction between veterans who served in-country, in-theater, or who were stationed elsewhere during the Vietnam War period. All were called to serve and none could self-determine where they would serve.

**Additional Background:** U.S. involvement in Vietnam started slowly with an initial deployment of advisors in the early 1950s, grew incrementally through the early 1960s and expanded with the deployment of full combat units in July 1965. The last U.S. personnel were evacuated from Vietnam in April 1975.

This national commemoration was authorized by Congress, established under the Secretary of Defense, and launched by the President to thank and honor our Nation's Vietnam veterans and their families for their service and sacrifice.

# Veterans: Call before visiting your VA facility

Medical appointments possible at home via VA Video Connect

## VA APPOINTMENT PROCEDURE UPDATE

Got a fever, cold, cough or flu-like symptoms? Are you worried that you have a viral illness?

The last thing you want to do is get out of the house to see the doctor, exposing yourself (and others) to more potential bugs and viruses.

VA can make it easier and safer to get back to health with virtual care through My HealtheVet and the VA Video Connect app on your smartphone, tablet or computer.

What is virtual care? Virtual care means you can contact your VA provider (and health care team) through [secure messaging](#) or receive treatment by telephone or video. Last year, Veterans had over 20 million virtual engagements with VA.

Any Veteran who qualifies to receive VA care and lives in the U.S. is eligible to use virtual care.

---

### [Long Description](#)

*Staying home – easier for you, safer for the community.*

Virtual care is personalized and can connect you with your providers more effectively than ever. Ask your health care team if virtual care can help meet some of your health care needs. Options include in-home health monitoring with tailored technologies, connection to specialists, or even remote scans and data.

Cold and flu care made easy

Virtual care is **safe and effective**. **Imagine the benefits to you and to your fellow Veterans if you don't have the hassle of going to the hospital or clinic with a cold, flu or other viral illness. You can stay at home and avoid battling for a parking spot and spending time in a waiting room. Most importantly, you won't put other Veterans at risk of a highly contagious illness. Staying home can be easier for you AND safer for the community by helping contain the spread of infectious diseases.**

You probably already know [My HealtheVet](#) is a great way to manage your care – with online Rx Refills, VA Appointments, and your labs and tests, radiology reports, and images.

With secure messaging and video appointments, reaching your providers while at home can be easy, too. While not for use in emergencies, a secure and private session begins with a simple request with a Secure Message for a video appointment. [Sign in](#) and request one next time you need to see your doctor or other providers.

Your health care team can also set up an in-person appointment, if needed. Call your VA health center if you have symptoms.

# Veterans can search free resources through **Code of Support's PATRIOTlink**

## Find vetted, direct, cost-free services

---

*Code of Support's PATRIOTlink*® platform is a free online resource database that includes thousands of programs tailored to the military and Veteran community.

Through **PATRIOTlink**, users can search vetted, direct, cost-free services specific to their needs. **PATRIOTlink** was recently redesigned to make it even easier to use. Now, users can complete searches by entering less information and they can view events and job opportunities in their area through a news feed feature.

### Working together, a partnership with VA

With over 40,000 Veteran Service Organizations offering resources, both VA and Code of Support recognize that collaboration is a key to ensuring military and Veteran families find the right help. This partnership between *Code of Support* formally started in December 2018 when VA's Veterans Experience Office signed a Memorandum of Understanding with *Code of Support*.

Through its ongoing collaboration with **VA**, Code of Support's **PATRIOTlink** database includes a list of VA resources along with program information for each resource. Listed resources include suicide prevention coordinators, Vet Centers, domiciliary units, and caregiver support services. Including these resources in **PATRIOTlink** makes it easier and more efficient for Veterans to access VA resources, which improves outcomes. The VA collaboration also ensures that awareness of available resources extends to more suicide prevention coordinators and caregivers across the nation.

[Long Description](#)

Together, VA and Code of Support hope to improve the access to and navigation of resources in local communities to best serve Veterans, families, caregivers and survivors. Code of Support provides case coordination, education and engagement, and a navigation platform that allows service providers to reduce the amount of time it takes to find resources to meet their client's needs. VA cannot do it alone, and partnerships like Code of Support help to augment and supplement VA services and benefits where needed.

VA is providing Code of Support the most up to date resource and contact information to access and navigate VA services and benefits that includes caregiver support services, suicide prevention and homeless coordinators, Vet Centers and domiciliary units. One of VA's goals is to ensure that access to services and benefits is easy, efficient, and creates positive experiences in receiving care and support where they live.

Veterans and their families should not have to struggle with finding resources and services, so VA encourages Veterans and their families to use the free services from partners like the Code of Support Foundation for easier access and navigation support.

### How do I join?

To get started, simply login at [www.patriotlink.org](http://www.patriotlink.org), enter a few keywords or select a service need, and filter the results by your specific eligibility criteria. You can then see a list of unique resources customized to your needs.
