

To Whom It May Concern:

On Friday September 28, 2018 Danville Smiles is proud to be hosting the First Annual Smiles For FREEdom Event!

Smiles For FREEdom is an opportunity to allow our team of caring dental professionals to come together and provide complimentary dental services for an entire day to veterans, and members of our armed services.

Dental care is a growing need in our country. It is important to Dr. Rebottaro & the Danville Smiles team to give back to the community and to help others get out of pain and into happier and healthier smiles. Dr. Michael Rebottaro has been serving the Danville community since 1985 and was recently joined by Dr. Peter Ryoo, and three enthusiastic registered dental hygienists who all look forward to making this Smiles for FREEdom event a huge success this year, as well as years to come.

Participants for these events are veterans or local military service members. Services provided will be appointment based only and participants will not need to stand in line through the day. All services provided by Danville Smiles and coordinating partners on this day will be FREE! All work and care provided by volunteers on this day are FREE. All work will be provided at the highest standards of quality and care that we would provide on any given day to our wonderful patients. Free dental services on this day will include a combination of diagnostic services, cleanings, fillings, extractions, and other possible dental health services based upon individual needs.

Candidate/Military patients will be invited to the office (by appointment) to review medical records and have complimentary digital x-rays taken prior to the event. This will ensure we are prepared and can maximize your time during the event!

For more information on this event, to inquire about appointments, or to make a donation to help make this day successful with needed supplies:
