# Community Remembrance

9/11/19 Time: 5:30 p.m.

### *9/11/2001—Largest FBI Investigation Ever*

**KEYNOTE SPEAKER FBI Special Agent John F. Bennett**

*Special Agent in Charge of San Francisco Division*

*Across from the World Trade Towers in New Jersey on 9/11/01*

In 2001, Jack Bennett, a FBI Special Agent was located in the New Jersey FBI building across from the World Trade Towers. He was immediately involved in investigating the attack on the World Trade Towers that he witnessed firsthand. His immersion in interviewing the survivors to find clues to the terrorists brought forth intense memories that will stay with him forever. We are grateful for his families' return to the Bay Area when he was appointed head of the region in San Francisco in 2016.

We would be pleased to have you join us for the annual 9/11 Remembrance Ceremony at the All Wars Memorial at Oak Hill Park. Please arrive early to find a reserved seat by 4:55. The event begins promptly at 5:30 p.m.

Thank you for using your leadership role to encourage our community to attend--in remembrance. RSVP: 925-998-8865, [councilstepper@yahoo.com](mailto:councilstepper@yahoo.com).
