

## *Veterans group turns the tables on local Restaurant*

San Ramon restaurant, *Gianni's Italian Bistro*, has been on the forefront in giving to local non-profits with their "Tips for Change" Monday night events for six years. Since 2014, Gianni has raised \$618,000 for a multitude of worthy causes in the Valley. Even in this pandemic year of "take-out" where restaurants are struggling to stay afloat, they have still managed to raise \$66,000.

The *Viet Nam Veterans of Diablo Valley* have been on the receiving end of this fundraising event, plus years of Gianni himself supplying his pasta and sauce for their crab feeds as well as endless gift certificates donated to their fundraisers. The Veterans Organization decided that it is time to reciprocate.

On February 1<sup>st</sup> 2021 the Viet Nam Veterans of Diablo Valley are scheduled to be the Tips for Change recipients. Instead, they ask that you order take out from Gianni's Italian Bistro that night and leave a tip to say "thanks" to Gianni's. It is well deserved.
